**PETITION TO WITHDRAW THE HOLDING OF ABANDONMENT PURSUANT
TO M.P.E.P. SECTION 711.02 (a)**

Box DAC
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants believe that the above-identified application has been abandoned since December 6, 1997, due to non-response to a Notice to File Missing Parts mailed September 5, 1997. Applicants submit that the Notice to File Missing Parts was not mailed to their current mailing address and therefore, Applicants were unable to respond to the Notice. Accordingly, Applicants Petition to Withdraw the Holding of Abandonment.

The above-identified patent application was filed on June 23, 1997. After a six month period, no other communication on the above-identified application was ever received by Applicants. On January 27, 1998, Applicants submitted a Request for Status of the Application to which a response was never received, see Attachment 1. On May 13, 1998, our Washington Associates, Landon & Stark, inspected the USPTO prosecution file and found the Notice to File Missing Parts mailed September 5, 1997 which had the former business address (180 Kimball Way, South San Francisco, CA

94080) for Applicants' employer, Genencor International, Inc., see the Notice to File Missing Parts, see Attachment 2. Applicants note that the misaddress of the Notice occurred even though Applicant's correct business address at 925 Page Mill Road, Palo Alto, CA 94034, was apparent on the patent application transmittal letter, see Attachment 3. Applicants submit that because the Notice was misaddressed, they never received the Notice and could not have responded. Therefore, Applicants Petition for a withdrawal of the Notice of Abandonment of the above-identified patent application.

The Commissioner is hereby authorized to charge the fees necessitated by the filing of these documents, or to charge any additional fees under 37 C.F.R. 1.16 and 1.17 or to credit any overpayment, to Deposit Account No. 07-1048. This communication is submitted in triplicate for USPTO accounting purposes.

Respectfully submitted,
